

## ***December 2018 - Clubs***

Mrs Doe led this week's talk time on Clubs. The children had many reflections to make and they are as follows:

### **How many children in you class come to a club in school?**

Wren	21
Penguin	19
Puffin	20
Robin	15
Flamingo	10
Parrot	11

We spoke about the numbers and discussed what we could do to see if all children came to a club. Although we said that it might be that the children want to just go home or go with an 'out of school' club.

### **Why is it important to go to a club?**

Because we can learn new things and skills. Going to a club is fun and can help you to make new friends.

### **Who leads clubs in school?**

Teachers, Mrs Doe, Mr and Mrs Boswell, Sports people, Little Musketeers

### **Which clubs do you love?**

The children were very excited and gave a long list of clubs - Netball, Film, Choir, Dance, Science, Mindfulness, Doodle, Sports, Play, Holy Space, Fun Club and Gardening.

**What clubs do people in your class go to outside of school?** It is wonderful to see that children do lots of clubs outside of school. Here is a list of some of them

- Beavers
- Brownies
- Rainbows
- Swimming
- Football
- Karate
- Gymnastics
- Dancing
- Tennis

**Are there any different clubs you would like us to think about having?**

The children had a very long list which we talked about and are going to give to the teachers for when they look at clubs for the new term.

- Rugby or cricket
- Football
- Trampoline
- Dance
- Nature/Animal
- Gymnastics
- X-box
- Tennis
- Acting
- Happy Friends
- Writing
- Newspaper
- Lego
- Colouring
