What do you have to do to show you are Play Leaders?

The group explained that they wore their hats, sat on a bench during some assemblies assembly and were around in the playground to help play.

How can we make sure the children know who you are?

The children had some good ideas and some we will act upon immediately. They said; split us in groups. Half of us are in reception and half are on big playground. Add a display on the equipment cupboard with a picture of us saying who we are and what days we are out. Miss Harris will make sure this is done so that your ideas can be put in to action.
